*ABOUT US*

## *My Story*

*Hi, I'm Jane, the founder of Diva District Salon.*

*I've always been fascinated by beauty, colors, and creativity. My journey began as a lash and brow technician, where I discovered not only my passion for the beauty industry but also the power it has to transform confidence.*

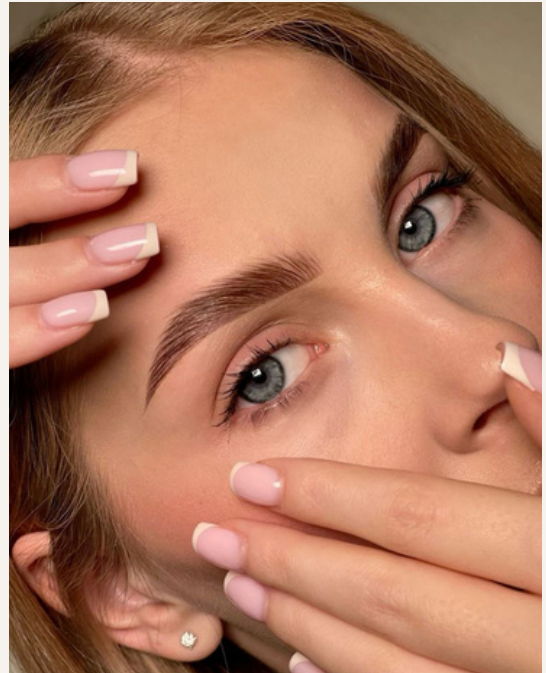

*As I grew in my career, I continued to learn, refine, and set high standards for every service we offer.*

*Our mission is to create meaningful beauty experiences that uplift, empower, and inspire confidence from the inside out.*

## AFTERCARE

# *Eyebrow Lamination/Lash lift*

01

### *Within 24 hours*

Keep brows and lashes dry within 24 hours (no water, steam, or sweating)  
Avoid makeup, oils, and creams on the area

02

### *Apply Brow / Lash Conditioner*

Apply nourishing oil or serum everyday after you take a shower to keep hair healthy.

03

### *Avoid*

Avoid harsh exfoliation or strong skincare on the area.

04

### *Results*

Results last 4–6 weeks when aftercare instructions are properly followed.

05

### *Book your next appointment*

Book your next appointment after 6–8 weeks.

## AFTERCARE

# Lash Extensions

### *Daily Care*

- Clean lashes gently using a lash-safe cleanser
- Brush lashes daily with a clean spoolie
- Avoid oil-based makeup and skincare around the eyes
- Do not pull, twist, or sleep on your lashes

### *Lash Shedding*

Losing 2–5 natural lashes per eye per day is part of the natural lash growth cycle. Each natural lash has its own life cycle of growth, rest, and shedding.

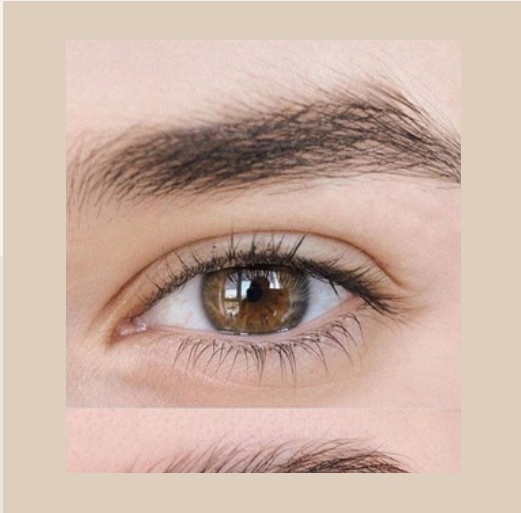

### *Lash Refill*

Keep refill appointments every 2–3 weeks.

Healthy natural lashes = better retention and beautiful results.

HAIR

# Treatments

## *Caviar Treatment*

250 AED

A luxury anti-aging treatment designed to deeply nourish, repair, and restore dull or damaged hair. Infused with caviar extract, rich in vitamins, amino acids, and omega fatty acids, this treatment strengthens the hair fiber, boosts elasticity, and adds long-lasting shine.

## *Protein Treatment*

315AED - 525AED

A strength-repair treatment designed to rebuild the hair's structure by replenishing lost proteins (keratin, collagen, silk proteins). Ideal for hair weakened by coloring, bleaching, heat styling, or extensions,

## *Botox Treatment*

500AED - 900AED

A deep-repair and smoothing treatment that restores moisture, softness, and shine without chemicals or straightening agents.

# Types of Hair Color

## *Balayage*

A hand-painted hair coloring technique that creates a soft, natural blend of lighter tones through the hair. Designed to add brightness, dimension, and a sun-kissed look with a seamless, low-maintenance finish. Each balayage is customized to suit your hair and desired look.

## *Halfhead Highlights*

Lightened sections added through half of the hair to create brightness, dimension, and a soft blended look. Perfect for a natural refresh or adding lighter tones without highlighting the full head.

# *Types of Hair Color*

## *Full head highlights*

Lightened sections added throughout the entire hair to create overall brightness, dimension, and a blended multi-tonal look. Perfect for a brighter transformation or a more defined highlighted effect.

## *Full Color*

complete hair coloring service that covers the entire hair from roots to ends for an even, rich, and refreshed color. Perfect for enhancing your natural shade, going darker, or achieving a new all-over color look.
